

Medicare/ Medigap Supplements

These plans allow you to go to ANY DOCTOR/ANYWHERE in the USA that accepts Medicare.

They help you pay your medical costs associated with Part A & B of Medicare.

We license with all the major companies so that we can offer you the best policy at the lowest price. We also keep up with which companies have the best track record on rate increases which will help you save money now and in the future.

Medicare Advantage Plans (Part C of Medicare) A type of Medicare health plan offered by a private company that contracts with Medicare to provide you with all your Part A and Part B benefits and generally covers prescription drugs. Many plans also offer additional benefits such as: low monthly premiums, free health club memberships, dental, and vision. We offer all major advantage plans and can help you decide if an advantage plan is right for you.

Life Insurance/ Final Expense

Insurance designed to cover the bills that your loved ones will face after your death. These costs include medical bills and funeral expenses. But did you know you now can also use life insurance for long term care. Not only is it important to protect your family against these costs, but can also protect many of your assets. We can help you find the best policy at the lowest cost.

Extra Help with Medicare Monthly Costs

There are many government programs that can help people on Medicare pay their monthly costs for part B and also drug cost. We can help you see if you can qualify.

Major Medical Health Insurance / Marketplace Plans

We can help you successfully navigate the Marketplace so you can choose the correct medical plan for you and your family. Not all doctors or hospitals will accept all plans so it's important to know all the facts before you choose a plan. Some people will qualify for a tax subsidy to help them pay for monthly health insurance costs, we can help you see if you qualify.

Cancer, Heart & Stroke, Critical Illness Insurance

There are many hidden costs involved with cancer & heart disease that Medicare or Health Insurance will not cover such as: certain treatments & medications, hotels & travel expenses, plus lost time at work. This policy will pay you a lump sum amount to help you cover your unexpected expenses and is an affordable way to manage expenses and preserve your savings.

Save Money 401k/IRA Rollovers

Can you afford to lose any of your retirement money? If not what are you doing to protect yourself? With the stock market set for a correction soon, many people are way too exposed to the possibility of losing money they can't afford to lose. What are your options? The great news is that you do not have to settle for low bank returns. We want all clients to be aware that you can still have the guarantee against loss that exists with a CD but with often double the returns. It can also provide an income stream if desired that someone cannot outlive.
